6. It is stated by the Applicant that it had issued a Demand Notice under Section 8 of the I&B Code, 2016 to the Respondent on 22 July 2020 by way of post and email, which was received via post by the Respondent on 27 July 2020. Despite receipt of the Demand Notice, the Respondent neither paid the outstanding dues nor raised any dispute within 10 days and the invoices remain unpaid. Hence, this Application. However, after lapse of more than 10 days, the Respondent through its counsel issued a response wherein, the Respondent tried to weave a story as an afterthought with a motive to raise a dispute, which never existed and was never raised upon receipt of the Demand Notice.

- 7. On issuance of notice, the Respondent has filed the reply on 27.10.2021 and submitted that -
- 7.1. There is no crystalized 'Operational Debt' due and payable by the Respondent in view of the statutory bar under Section 10A of IBC on any claimed default arising after 25.03.2020. For this reason, the Petitioner is deliberately silent on the date of default in the Petition, which is therefore, defective and liable to be rejected.
- 7.2. The Petitioner itself has stated that "Due to some concerns with respect to decrease in business between the parties, return of stock and non-payment of over dues by the Corporate Debtor", the Operational Creditor had conducted a meeting with the Corporate Debtor on 30.07.2019. Further, in response to the Petitioner's letter dated 15.01.2020, the Respondent vide email dated 23.01.2020 again raised

dispute as regards to the alleged amounts claimed as they did not take into account the adjustments towards returns and part payments and thus, did not match the accounts maintained by Respondent. This clearly establishes that there was no crystallized debt even as on 23.01.2020 owing to disputes between the parties.

- 7.3. The Respondent is still holding unsold stock which was to be returned to the Petitioner. However, the Petitioner, after having agreed to accept the same, refused to accept the same as apparent from its email dated 5 August 2020. Thus, the alleged amount, if any, is to be adjusted against return of unsold stock and the accounts to be reconciled.
- 7.4. In terms the Sale-Purchase Agreements dated 6 April 2018 between the parties, all pending disputes (as regards unsold stock, return of stock and reconciliation of accounts) or claims are to be resolved by mutual discussion, failing which the same shall be referred to arbitration. Since the Petitioner and Respondent have agreed to arbitration as the mode of resolution of disputes and claims, the present Petition is contrary to the agreed terms of the agreements.
- 7.5. There were several prevailing disputes in relation to reconciliation and settlement of accounts between the parties as evident by way of emails dated 13.03.2019, 14.03.2019 and 24.02.2020 by the Respondent, which are acknowledged vide emails dated 03.01.2020, 19.02. 2020 and 24.02.2020 by the Petitioner's representative Mr Suresh Gupta and Mr. Harish Chander's email dated 17.02. 2020.

The Applicant has also filed its Written Submissions and provided 8. the details of the transactions in a tabular form, as follows:

- 9. The matter came up for final hearing on 03.10.2022, during the course of which Mr. Shravan Niranjan, Ld. Counsel appearing for the Respondent admitted the debt, though he added that the exact amount of debt has not been crystalized.
- 10. We have heard the Ld. Counsels for both the parties and perused the documents and written submissions placed on record. The Respondent has contended that the Application is barred by Section 10A of IBC, 2016, therefore, we would like to examine whether the present Application is barred by Section 10A of IBC, 2016?
- 11. On perusal of the application, it is observed that the Applicant and Respondent had entered into two agreements dated 06.04.2018 namely, the sale and purchase Agreement for offline purchases & sales and Purchase Agreement for online purchases. Accordingly, the Applicant has submitted that it supplied books and raised the invoices between June, 2017 and December, 2019 as depicted in the table reproduced in the paragraph 8 above.
- 12. At this stage, first we would like to visit the terms and conditions of the Purchase Agreement for online purchases (for brevity, the 'Online Agreement'), in order to examine whether the due dates of payments are falling within the period of suspension stipulated under Section 10A? The relevant clause relating to payments in the 'Online Agreement' is reproduced below:

14. From the aforesaid Worksheet, it is noticed that the invoices for the online purchases were raised from 11.09.2018 to 28.12.2018, for which the due dates for payment were falling between 30.01.2019 and 30.04.2019, which are clearly prior to the commencement of the suspension period (as stipulated under Section 10A of IBC, 2016) on 25.03.2020. Further, since the total amount of default by the Respondent against these invoices raised for the online purchases as per

(IB)-1095/(ND)/2020
Pearson India Education Services Pvt. Ltd. Vs. M/s. U.B.S. Publishers Pvt. Ltd.

the branch-wise summary given above comes to Rs.1,26,96,778/-, which is more than the minimum threshold amount prescribed under Section 4 of IBC, 2016, we do not consider it necessary to visit the offline invoices.

- 15. It is pertinent to mention here that the proceedings before this Adjudicating Authority being of summary in nature, it is not possible to go into the details of each and every invoice and calculate the exact quantum of debt. The only things that this Adjudicating Authority has to examine is to whether the Respondent has committed the default in payment of the operational debt and the said Operational Debt is more than the minimum threshold amount. Here, the Applicant has been able to demonstrate the debt of more than Rs. one crore outstanding against the Corporate Debtor. Moreover, during the course of final hearing dated 03.10.2022, Ld. counsel appearing on behalf of the Respondent has clearly admitted the default, hence, this Adjudicating Authority is inclined to initiate the Corporate Insolvency Resolution Process against the Respondent.
- 16. In the given facts and circumstances, the Operational Creditor having established the default of the Corporate Debtor in payment of operational debt of the amount being above the minimum threshold and the Petition filed under Section 9 being complete and fulfilling all the requirements of law, the petition is admitted in terms of Section 9(5) of the IBC. Accordingly, the CIRP is initiated and moratorium is declared in terms of Section 14 of the Code. As a necessary consequence of the moratorium in terms of Section 14(1) (a), (b), (c) & (d),

the following prohibitions are imposed, which must be followed by all and sundry:

- "(a) The institution of suits or continuation of pending suits or proceedings against the corporate debtor including execution of any judgment, decree or order in any court of law, tribunal, arbitration panel or other authority;
- (b) Transferring, encumbering, alienating or disposing of by the corporate debtor any of its assets or any legal right or beneficial interest therein;
- (c) Any action to foreclose, recover or enforce any security interest created by the corporate debtor in respect of its property including any action under the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002;
- (d) The recovery of any property by an owner or lessor, where such property is occupied by or in the possession of the corporate debtor."
- 17.
